

## Accessing TruDataRx Prior Authorization Forms Via CoverMyMeds

- TruDataRx is able to accept cases started within the CoverMyMeds prescriber portal
- After the request has been “sent to plan”, subsequent correspondence (requests for more information, PA decisions) with the provider occurs via fax, not within the prescriber portal
- Please include applicable chart notes and lab values with submission to limit requests for more information

Search for  
“TruCard” intake  
form via Option 2

Option 1: Drug insurance ID card

Patient Insurance State  
Palau

RxID#

RxPCN Number

RxGroup

Option 2: Insurance plan or PBM name

Patient Insurance State  
SC

Plan or PBM Name  
TruCard
